SHARPSHOOTER CLASSIC & DEMO DAY

PRESENTED BY

MARCH 13, 2020
BANDERA GUN CLUB
BANDERA, TX

Demo Day is an opportunity for suppliers to put their law enforcement products and technology in the hands of the operators who are in the field every day protecting our borders. Space is available to showcase technology, as well as access to a live fire range for demonstrations.

Also taking place at Demo Day in 2020 is the 5th Annual Sharpshooter Classic, formerly known as the Top Shooter Competition. Set up in the IDPA format, the competition will consist of real-life scenarios border agents and officers face in the field.

All Demo Day exhibitors and sponsors also receive a slot in the shooting competition.

“I wanted to thank you and the rest of the staff again for putting on this event. The stages were interesting and challenging, the match staff was very professional and friendly, and it was great having a chance to shoot with others from my Agency. The long trip from Virginia was definitely worth it, I will be trying to come back again if at all possible.”
